Thank you for your patience through the merger of Menominee Area Credit Union to CoVantage Credit Union. A significant milestone with this project will take place on **Saturday, September 30** when we convert your accounts over to CoVantage Credit Union's computer system. Prior to the conversion, we want to inform you of your new CoVantage account number.

Your former account number with MACU will be converted to «AccountNumber». This new number should be used for all future correspondence with CoVantage Credit Union.

If you prefer, we can provide you with a member ID card for this account. This card will include your name, account number, and signature line. It can be presented each time you come in to deposit or withdraw from your account. A separate card will be issued to each joint owner. You are welcome to pick up your member card the next time you stop by the Menominee office or any CoVantage location. At that time, you may also request a loan payment card for any loans you have under this number.

As a way of showing how much we appreciate your being a member of CoVantage, we have enclosed a special set of coupons exclusively for you. I invite you to use one or all of the coupons if you are in need of a loan, mortgage, or checking account.

If you have any questions, please call me at 906-863-3854. **The Menominee staff and I look forward to serving you as CoVantage Credit Union when we open our doors on Monday, October 2!**

Sincerely,

A handwritten signature in black ink that reads 'Mindy K. Brezsko'.

Mindy Brezsko
Menominee Branch Vice President

PS. Please note that if you had an ATM/debit card with MACU you should have already received your new CoVantage check card as a replacement or will be receiving it very soon. Be sure to activate your new card per the instructions included with that mailing.
